

Anxiety: when worry becomes worrisome

Anxiety affects approximately 40 million Americans. That's 18% of the population.¹

If you think you might have anxiety, Teladoc's Mental Health service can help. Our licensed therapists can diagnose and treat anxiety seven days a week. Simply choose your therapist, pick a time that's convenient for you, and then talk to the therapist from wherever you feel most comfortable. **Connect with Teladoc for care today.**

In addition to anxiety, Teladoc therapists can treat:

- Depression
- Stress/PTSD
- Panic disorder
- Family and marriage issues
- And more
